“Breach” Definition

The unauthorized acquisition of computerized personal information.

“Personal Information” Definition

1. An individual's first name or first initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:
 - a. Social Security number
 - b. Driver's license number; or
 - c. Account number, credit or debit card number, in combination with any required security code, access code, or password that would permit access to an individual's financial account.

¹ The general definition of “Personal Information” is an individual's name in combination with any one or more of the following: (1) Social Security number; (2) driver's license number or state identification card number; or (3) a financial account number or credit or debit card number in combination with any required security code, access code, or password that is necessary to permit access to an individual's financial account.

Notification Trigger

Following discovery or notification of the breach:

1. Entity that owns or licenses personal information shall notify Virgin Island residents in the most expedient time possible and without unreasonable delay.
2. Entity that only maintains personal information that the entity does not own shall notify the owner or licensee immediately.
